

## **Invitation for Bid #13-082**

### **Courthouse Security Improvements: Furnish and Install Solar and Ballistic Film**

#### **SUMMARY**

The Frederick County courthouse is a brick building located at 100 W. Patrick Street in Frederick, MD and was dedicated on September 24, 1978.

#### **STATEMENT OF WORK:**

Frederick County, Maryland (hereinafter called the "County") is seeking bids from qualified Contractors (hereinafter called the "Contractor") for the provision of security improvements in accordance with the terms, conditions and specification of this solicitation. The work under this contract includes removal of the existing solar window film, furnishing and installing new ballistic window film, and furnishing and installing new solar window film.

The glazing film manufacturer shall specialize in the manufacture of safety glazing films and have a minimum 10 years successful experience.

Installer shall be certified by the glazing film manufacturer.

Products shall be stored in manufacturer's unopened packaging until ready for installation.

Store and dispose of solvent-based materials, and materials used with solvent-based materials, in accordance with requirements of authorities having jurisdiction.

Environmental conditions (temperature, humidity, ventilation) shall be maintained within limits recommended by manufacturer for optimum results. Products shall not be installed under environmental conditions outside manufacturer's absolute limits.
